ST. MICHAEL HIGH SCHOOL

The school to be!

A section of the A-Level block, situated against a perfectly serene, nurturing and academic backdrop

ABOUT US

St. Michael High School - Mukono is a happy, ambitious, inspirational and inclusive mixed day and boarding secondary school where students and teachers enjoy learning together. We have a clear vision for the school that is based on a broad understanding of what success looks like for our students.

We are located in Ssonde, along Namugongo - Seeta Road, about 800 metres off Ssonde trading centre on your right, away from the exhausting hustle and bustle of urban life.

We take an inclusive approach that maintains a focus on the wellbeing and progress of every child, providing a safe place for learning through the application of our positive behaviour system and attention to individual students circumstances and needs; and we achieve better results by establishing a partnership between parents and teachers.

All the staff who work at the school are committed to this clear vision and are driven by our shared understanding of what success for our students looks like and how we achieve that success together.

VISION

Moulding responsible, successful and all round citizens.

MISSION

To provide quality education for students to meet global trends.

MOTTO

Education takes you to greater heights.

Helping every learner tap into their every potential - The St. Michael High School MDD Festival

OUR FACILITIES

- A large, serene study environment hidden away from the hustle and bustle of urban activity, sitting on over 40 acres of land.
- Well lit and ventilated modern classrooms capable of sitting students comfortably for their class work and exams, and also ensure proper adult supervision.
- Spacious dormitories for students to dwell comfortably outside the classroom.
- Tarmaced basketball court that also doubles as a netball court.
- A well maintained transport service boasting 2 modern 60-seater coaches.
